GAUZE^{LE}**

Hemostatic Product

Control life-threatening bleeding fast with QuikClot Combat Gauze[®] LE

Kaolin is the product differentiator for all QuikClot[®] products.

- Use the body's natural clotting cascade
- Initiate the intrinsic pathway to clot formation, leading to faster bleeding control^{3,4*}
- Have consistent data to support product efficacy^{5,6,7}

Appropriate for traumatic bleeding injuries

• Faster bleeding control^{3,4*}

QuikClot[®] hemostatic products allows you to control bleeding at the scene until medical support arrives

• Easy to use

Intuitive to use, QuikClot[®] uses the same placement technique as standard gauze⁸

• Updated packaging

Compact, cube-sized packaging, and eight tear points expedite access to dressing for quicker application

Backed by real world data

Independent test results published in several respected journals demonstrate that QuikClot[®] products have consistent hemostatic achievement,^{5,6,7} and strong blood clot formation.^{1,2}

Activates

Kaolin Activates Factor XII (Intrinsic Pathway)

Accelerates

Accelerates the Clotting Cascade

Formation

Robust Clot Formation^{1,2}

Control

Faster Bleeding Control^{3,4*}

The CoTCCC recommended hemostatic dressing of choice for over 12 years.⁹

*Based on testing when compared to standard gauze.

Hemostatic Product

Proprietary Technology

QuikClot Combat Gauze® LE is a soft non-woven material impregnated with kaolin, and is available in a 3 in. x 4 yds. z-fold, packed in an easy-tear, vacuum sealed pouch, contains an X-ray detectable strip for easy identification, and has a five-year shelf life.

Experience Improves Performance

Training kits and moulage trainer simulate real-world bleeding challenges, so users get hands-on experience. Get to know your QuikClot® Law Enforcement products, register at QuikClot.com/training

QuikClot® Product Ordering Information

PRODUCT NUMBER	PRODUCT	PRODUCT DESCRIPTION
350	QuikClot Combat Gauze® LE	Z-Fold (3 in. x 4 yds.)
261	QuikClot® Belt Trauma Kit® (BTK)	1 Combat Gauze® LE, 1 SWAT-T™, 1 Pair of Gloves
534	QuikClot® Belt Trauma Kit® (BTK) with Orange SOFTT-W™	1 Combat Gauze® LE, 1 Mini Sheer, 1 Pair of Gloves, 1 Orange SOFTT-W™
539	QuikClot® Bleeding Control Kit® (BCK)	3 Combat Gauze® LE, 3 Tourniquets, 1 Mini Sheer, 3 Mini Dressing
